

Your Dental Plan

DHMO Provider Selection

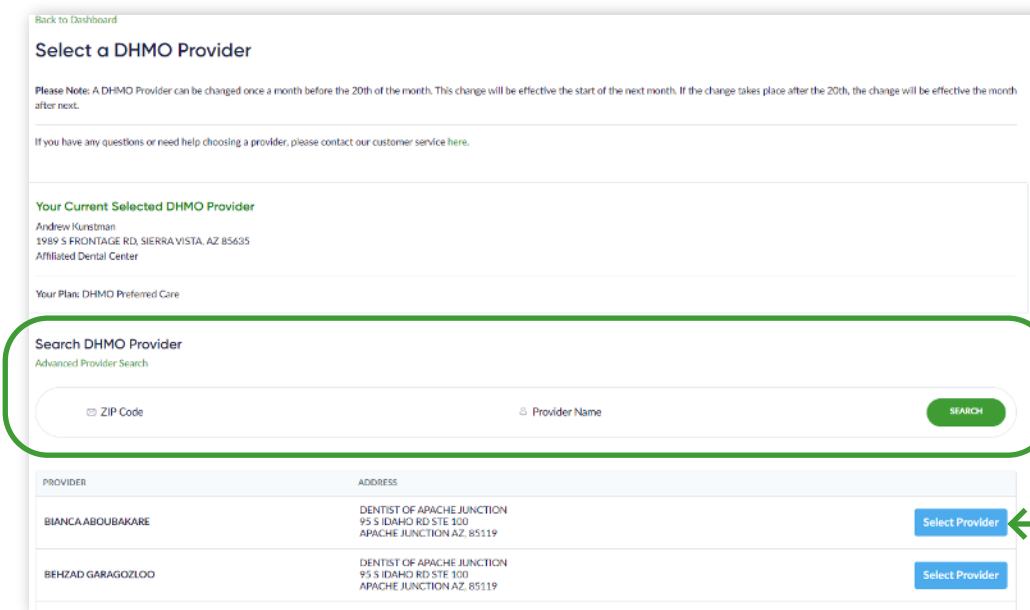

This plan requires you to select a participating general dentist who will provide you with all of your care, and refer you to specialists when necessary. You may only change your selection once each month. You may also call our Customer Service Department at (602) 266-1995 or 1(888)-422-1995, Monday through Friday 8:00 a.m. to 5:00 p.m., to inform us of your selection. Your coverage will not be valid until a provider is selected.
