New Price Assure

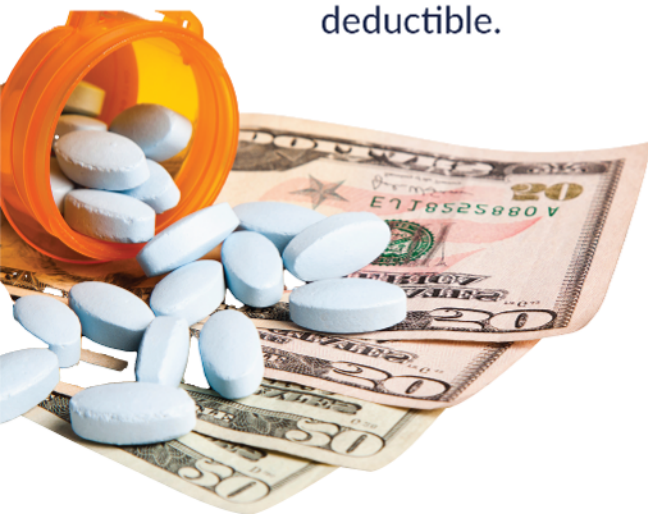

Looking for a hassle-free way to save on your prescription medications?

Look no further than the Price Assure program, included with your EMI Health insurance!

Our program is designed to provide you with the lowest possible price for your prescription medications, automatically. We work behind the scenes to find the most cost-effective options for your prescriptions. If we can't find a lower price, we'll apply our lowest price guarantee to ensure that you're getting the best deal.

It's as easy as 1-2-3!

- 1 Simply present your EMI Health ID card at the pharmacy counter.
- 2 You **automatically** get the lowest price between the EMI discount price, the pharmacy cash price, or the GoodRx price.
- 3 No reimbursement needed and automatically applied to your deductible.

No more having to check online coupons. You can rest easy knowing that you're getting the best possible price. We do the work so you can enjoy the savings.
